PRAIRIE WINDS® 'Blue Paradise' *Schizachyrium scoparium*

Does your Schizachyrium last like this?

No Schizachyrium stands and delivers quite like 'Blue Paradise'. This new and improved cultivar has an incredibly full habit with an elegant vase shaped habit and gorgeous seasonal color transition. However, the real advantage of 'Blue Paradise' is the resistance to flopping, even after the snow and wind of fall and winter.

Height: 3-5' / Width: 2' / Zones: 3-9 / Exposure: Full Sun
