

Garden Flair Anywhere.

The NEW Terraform™ Terrariums from leafjoy[®] are the easiest, no-care way to bring nature to any indoor space. These self-contained ecosystems thrive without pruning, watering fertilizing, making them fool-proof options for indoor gardeners.

Whether customers want to add a bit of nature to their office, living room, kitchen, tabletop or even bathroom, Terraform™ Terrariums will thrive in any spot with indirect light.

GREAT FOR:

- Gifts
- Beginner gardeners
- Impulse buys
- Collectors
- Miniature gardeners

Boost sales year round with gardens customers can enjoy any time of year, in any weather.

Available in 3 sizes: Great Valley, Greene Mountain and Blue Ridge

Combine Terraform™ Terrariums with 12-cm and/or 17-cm plants, leafjoy littles™, Canopy Collection™ and H2O[®] varieties for custom, low-minimum shipping of as little as 10 cases.
